

**PERMANENT JEWELRY SERVICE IS OFFERED TO ADULTS 15 YEARS OF AGE AND OLDER
READ CAREFULLY AND COMPLETE BACK OF THIS FORM**

PERMANENT JEWELRY & CARE

The term *permanent jewelry* was created by the jewelry industry to describe a piece of jewelry that does not have a clasp and uses a jewelry grade pulse welding machine to secure the jewelry, called "the service". Permanent Jewelry in its truest form is fine jewelry and requires the care equal to that of other removable fine jewelry. It is not indestructible and requires ongoing care and cleaning. Wear and tear beyond a reasonable timeframe may be experienced and the care of jewelry is the sole responsibility and ownership of "the Client". This disclosure and waiver are also extended to custom-fit jewelry service.
